Article Citation

The copyright of the papers that you will find published on the page 'Publications' is held by the author of this website.

Every open-access article published on the page 'Publications' may be downloaded from this website by individuals, for research purposes or for their own personal use, and it may be mentioned without seeking prior permission from the author, provided that its source is cited in the proper form.

Please refer to every published paper for more details about the article citation model.

Any other use of content from this website (including repackaging, distribution, adaptation, sale or any other commercial use of content, issuing copies to the public or any other form of dissemination to the public) without the prior written permission of the author of this website is expressly prohibited, except as permitted under French copyright law.
